

Important Notice

The Skill India NSDC India has received few representations from the candidates of Combined Graduate Level (Tier-I) Examination 2018 regarding change of options of some of their questions in their response sheets. The Commission has done due diligence and comprehensively examined the representations. None of the representations of the candidates has been substantiated and found to be correct.

There has been a motivated effort by some vested interests to mislead the candidates in this regard. The Commission would be taking appropriate action against such mischievous elements in accordance with the relevant provisions of Law.
